Sir:

Applicants have received a final Office Action mailed December 2, 2005. The Action states at page 2, second sentence, that "Up to date 29 November 2005, the record shows that there is no new evidence or material for a patentability of the previously rejected claims being submitted during a requested three months suspension period."

With due respect, the above statement is in error. On November 29, 2005, Applicants submitted a Supplemental Response and three Terminal Disclaimers, as reflected in the USPTO's own PAIR docketing system.

In view of the above, Applicants respectfully request that the final Office Action mailed December 2, 2005 be withdrawn; and that the Supplemental Response and three Terminal Disclaimers filed November 29, 2005 be considered.
